\* **Is your organization a non-profit or a registered public charity?** We give back to the profession and the communities we serve by providing a set amount of pro bono (no charge) work. Specifically, our plans for 2022 include pro bono speaking engagements or workshops for up to three non-profits or charities. And—if the three pro bono slots are filled and there’s interest from additional non-profits or charities—a limited number of engagements may be available at a special rate. Inquire.

Prices are in United States Dollar (USD) and do not include expenses or sales tax (if applicable). Rates for speaking engagements apply to talks, workshops or other appearances running up to 2.50 hours; for more than 2.50 hours, request a quote. Information subject to change without notice.
